

**OCTOBER, 2006**

## FROM THE PREZ

Well another fun filled month has gone by with car shows, cruise-ins, road trips and good things to eat.

Many thanks to Jane and "Jocko" for the beautiful trophies and for being a wonderful host for the road rally. Jim Maddox and Wayne Allen laid out and timed the course that ran through four counties. Rain threatened at the start of the event but the weather cooperated and all had fun. There was lots of stories to tell - the one about trains holding some of the later starters back, stories of being lost, thought I was on time and on and on. To me the best part was the wonderful food Jane prepared and ribs from Dreamland BBQ!!!! WoW !!! It was a fun filled day.

October has started off with a bang - a cruise-in and car show at Oneonta, a road trip to Mentone then on to Chattanooga to watch the hang gliders on the mountain. What a beautiful day!!!!

By the time you read this newsletter we will be going to Memphis early Saturday morning to meet with Jim and Sherrye Willis. They have organized a wonderful weekend for our club with planned activities and (oh, yes) great food!!! I wish everyone in our club could attend this event.

Don't forget about the October meeting at the Southern Museum of Flight. Arrive at 2:30 and we will have our monthly meeting and then tour the Museum. It is a wonderful Museum with lots to see and do. We will leave around 4:30 and go for a cruise and dinner.

Briefly some other events involving automobiles are: cruise to Atlanta for Vettes Against Breast Cancer October 21st and 22nd. See Jim Maddox for details.

Crossroads Cruisers - October 7th at Snead Crossroads BP, Highway 278 and 75 intersection, music and fun.

Empire Ministries Fall Festival 2006 car show, antique tractor show, lawn mower weight pull, old time coon hunt, etc., on October 28th in Empire, AL.

Third annual Scarecrow Cruise and Car Show in Madison, MS. on October 27th and 28th. Madison is a beautiful little town located just north of Jackson, MS.

October 28th - don't miss out on the "Boo Barn" at Wayne and Donna Allen's haunted barn on Saturday night October 28th. Good food, fun and fellowship.

October 21st - Attalla Heritage Day, downtown Attalla. Family entertainment, \$1,000 money tree and Saturday night cruise-in at The Sonic from 6:00 - 9:00 P. M.

The 19th annual Alcazar Car Show in Lineville, AL, at the Lineville Recreation Park. Vendors, swap meets, vehicles for sale, etc. They will have over 700 cars for this show on the 1st Sunday in November.

The Amazing Grace Baptist Church Annual Car Show will be in Gadsden, AL, on November 18th.

As you can see, a lot of fun car stuff going on in October. If you are interested in any of the above, I will be glad to fax you a copy of the flyers.

### **ROSS BRIDGE – GET READY - HERE WE COME AGAIN !!!!**

A Mid Alabama Corvette Club cruise-in has been scheduled for Thursday evening, October 12th, beginning at 6:30 at the Ross Bridge Golf Resort Grill.

Mr. Jay Radosta, Restaurant Manager, is looking forward to hosting our event. The food and drink prices are very reasonable in the Grill and the facility is first class as many of us know after attending our cruise-in this past June at Ross Bridge.

Please send me an e-mail if you will be attending as the Grill Manager would like to have an estimate of our participants to provide sufficient staffing and space for our group.
